## 2. Digital Citizenship Discussion

- Guest presenters:
  - Katie Hill East Sandy Ed. Tech.
    - Presented a Nearpod lesson from Commonsensemedia.org.
    - Reviewed the district Digital Citizenship document and answered questions from the committee
    - Reviewed East Sandy's technology plan, devices used, apps & software used and information on monitoring student's internet access
  - Courtney Martin East Sandy Digital Citizenship Rep.
    - Reviewed the information available to parents and teachers for online safety
    - Share our plan to become a Digital Citizenship certified school
    - Information available on our school website

## 3. Cold Weather / Inside Recess / Air Quality Discussion

- health.utah.gov/asthma/airquality/recess.html
- Reviewed the cold weather procedures and guidelines. Voted on our outside temperature range for inside/outside recess (22 degrees with adult judgement allowed to adjust as needed).
- 4. SNAP Plan Input:

- Any safe-walking route concerns that need to be addressed? Aside from the 7<sup>th</sup> East project there are no new concerns that were presented by the council.
- Parking Lot, Drop-off/Pick-up lane procedures: Reviewed and agreed that procedures are in place as long as parents are able to abide by them.
- Outside Supervision Before & After School: Reviewed and agreed that our plan is appropriate.
- 5. Misc. Items None mentioned
