4. Review what we have done this year for CSIP so far this year.
5. Attendance – Attendance success stories (1 alarm clock bought, 1 reinforcement system and there have been improvements) – working on attendance plan.
6. Digital Citizenship Update – Courtney and Maxine
7. Emergency Drill Report – 100% participation on monthly drills (Lockdown Drill scheduled for tomorrow)
8. Two main safety items
9. Cell Phone Usage – discuss policies

#### PTA Input:

1. Discuss Fundraisers - \$6,000 projecting 2,500 at party and at least \$1,000 tomorrow. No excess – what we make is what we will spend next year. Might need to cut some programs.
