	= \$56,577

East Sandy Elementary School Community Council was pleased to be able to spend **\$56,577** of LAND Trust funds on East Sandy Mustangs for the 2019 - 20 school year. It was determined that funds should be spent on reading and technology. To increase reading achievement students were identified as performing below benchmark on Acadience testing. Students identified received daily intervention support from intervention assistants under the direction of the achievement coach. Most of the allocated School Land Trust funding, **\$44,050**, was used to hire two assistants to provide reading interventions. A total of **\$2,000** was spent on substitutes. They were utilized so teachers could collaborate to review student data, identify students needs and plan Rtl instruction. Literacy programs, costing **\$5,000**, were purchased to be used in skill-based instruction and literacy practice stations. Technology devices were purchased for skill-based instruction and literacy practice stations for **\$5,527**. East Sandy is close to 1:1 technology across the school. The East Sandy SCC sees our LAND Trust Plan resources as a crucial component of our student achievement. *It also helps that East Sandy teachers are simply the BEST!*
