

# OCTOBER WELLNESS DIVERSITY & ACCEPTANCE

## DIVERSITY & ACCEPTANCE MONTH

East Sandy's Wellness Word of the  
Month for October is  
**DIVERSITY & ACCEPTANCE!**

Diversity is the differences that people  
have with others. People are diverse in  
many ways: appearance, interests,  
language, strengths, abilities, culture,  
age, talents, and more!

Accepting diversity means celebrating  
our differences and understanding  
that everybody has a special place in  
this world!

## LEARNING ABOUT DIVERSITY & ACCEPTANCE

Throughout this month,  
Miss Andrea, our School Social  
Worker, will be visiting every class  
at East Sandy to read  
"Finding Your Spot in the World."  
She will also be visiting each class to  
teach a lesson about diversity and  
acceptance. Classroom teachers will  
be discussing and exploring diversity  
and acceptance during Morning  
Meetings throughout the month!
