Dear Parents,

It is important that we obtain an accurate count of all children qualifying for kindergarten in the Canyons School District for the 2024-2025 school year. If you have a child who will be five years of age ON or BEFORE September 1, 2024, the child qualifies for next year’s kindergarten program. State law requires that all school districts in Utah abide by the same September 1st entrance cut-off date.

Please be aware that East Sandy offers full day, tuition free Kindergarten.

In years past we have had a Kindergarten Orientation in April. If you complete the form below, we will mail you a letter in March 2024 notifying you of the details of the orientation, if one is scheduled, as well as the enrollment procedures for your student.

If you have neighbors who have qualifying kindergarten children, please share this information with them. For any questions, please call the school at 801-826-8425.

Sincerely,

Dan Ashbridge, Ed.D
Principal

If you have a child qualifying for kindergarten next year, please complete this form and return it to the school office before FRIDAY February 16, 2024. This form will help us obtain an accurate count for next year. This form does NOT officially enroll your child at East Sandy Elementary. We will mail out the enrollment procedures to those who have filled out this form in March 2024.
