Reserve your child's photo package today using the standard pose. By preordering, you'll unlock exclusive discounts on future orders once full galleries are available. These discounts will be automatically applied when you access your child's gallery to order additional poses as prints and digitals.

How to Order:

- 1. Scan the QR Code:** Each student has a unique QR code. If you have more than one student, make sure to scan each individual code so their orders are correctly assigned.
- 2. Sign In:** Enter your email address to access the ordering system.
- 3. Select Your Package:** Your pre-order will use the standard pose. Once full galleries are released, you'll be able to purchase additional poses, prints and digitals. ***Pre-ordering saves you ~20% compared to ordering after picture day!**
- 4. Complete Your Checkout:** Submit your payment to lock in discounted pre-order pricing. ***Pre-ordering also gives you 20% off any future package purchases for this fall season which will automatically apply to your cart.** Your student's first printed photos will be delivered to the school in approximately two weeks after picture day.
- 5. Watch for an Email:** After picture day, you'll receive an email with a link to your student's full photo gallery. From there, you can: order more photos, request retouching, or decide if a retake is needed.
